Great view!

The view was excellent at the observatory on the 89th floor as visibility was good with good weather and the wind damper was an eye opener since it is said you get to see it only at Taipei 101. Unfortunately due to windy conditions we... [More](#)

Taipei Landmark

We visited Taipei 101 easily using the MRT. We took several photos outside before heading to observatory. Tickets to the top are \$20 USD adult and \$15 USD child. The lines were very long and the deck was okay - our child enjoyed it. The... [More](#)

Tallest of them All

I love to be here in Taipei 101 and explore its uplevels. The technology that's been developed to make it withstand the wind in a higher magnitude is amazing. Also enjoyed the outside view when you're on top. Shops inside also offer a quality products... [More](#)
